Public Performance Hire

Free / unticketed events

Non-exclusive use of the Vic Lounge for **unticketed/free performance events** is free of charge as long as we can carry out our regular business.

Ticketed events

For **exclusive use** of the Vic Lounge we require an income in order to sustainably provide our services. This could be regular sales over the counter or a room hire fee based on a ticket share arrangement. Tickets are sold via our in-house ticketing system (an inside ticketing charge of \$2 per ticket applies - this could be added to the ticket price). If applicable, Apra royalties payable are collected in accordance with APRA requirements.

As a guide, a satisfactory over-the-counter turnover would be in the region of \$600 to \$900 per night, 5pm to 11pm (including set-up, performance and pack-out times).

A ticket share arrangement could be in the region of approx 30% of the ticket price or \$5 per head, whichever the higher. Alternatively, make a proposal for us.
