If you prefer alternative food and drinks we would be happy to work with you and supply what you require. BYO food is complicated because of liability issues around health & safety and cleaning. In case of an incident our public liability insurance will only cover if we are in charge of the catering. However, if you want to bring your food and drinks please let us know as this may involve a byo charge / cleaning fee and liability waiver.

Table setting: \$3 per person (minimum \$30) - includes plates, cutlery, glassware; sound system & party balloons

Catering: \$12 per person (minimum \$180) - includes party room, table settings and party food: e.g *Fruit & marshmallow skewers* | *Slices of Pizza* | *Cheerios* | *Potato Fries* | *Drinking water*
Please let us know if you have any food requests or special dietary requirements.
