

2 Movie Fundraiser Functions (private hire)

Cinema hire: \$10.50 per person plus a concession item* for \$5.50 pp = total of \$16 per person

Scenario: The fundraising party sells tickets to the event for **\$26** per admission ticket, making a profit of \$10 per person. The customers feel they are getting good value for their money; not only is a movie ticket plus a concession item around the same price, or less, as they would spend at other cinemas for the same service, but they are also helping to raise funds for a good cause. Raffles on the evening of the screening may also help your fundraising. With a sold out screening funds raised on a movie night could be up to \$2,000.
