Public Performance Hire

Free / unticketed events

Non-exclusive use of the Vic Lounge for **unticketed/free performance events** is free of charge. However, the venue requires a minimum revenue of \$350 for the evening to operate sustainably and performers will be required to work with management to achieve that.

Ticketed events

For **exclusive use** of the Vic Lounge we require an income in order to sustainably provide our services. This could be regular food and drink sales over the counter (min. \$600) or a room hire fee based on a ticket share arrangement (30% vs \$8 minimum/seat). Tickets are sold via our in-house ticketing system. An inside ticketing charge of \$2 per ticket applies and could be added to the ticket price for the customer to pay). Apra and performance royalties are deducted from the box office in accordance with APRA requirements.
