A living remnant of Man's primitive ancestry. The Missing Link.

Poms (PG, 1hr 30min Comedy)

New

POMS is a comedy about a group of women who form a cheer leading squad at their retirement community, proving that you're never too old to 'bring it!'

Red Joan (M, 1hr 41min, Biography Drama Romance)

English born Joan Stanley, a Soviet and communist party sympathizer, becomes employed as a British government civil servant, and gets recruited by the KGB in the mid 1930s. She successfully transfers nuclear bomb secrets to the Soviet Union (Russia), which enables them to keep up with the west in the development of atomic weapons, and remains undetected as a spy for over a half a century.

Soldiers Without Guns (M, 1hr42min, Documentary)

This radical idea of sending soldiers without guns into the war-torn province of Bougainville in Papua New Guinea was condemned by the national and international media, who felt the soldiers would be massacred given the first 14 peace attempts there had failed. This feature-length documentary film shines a light on the untold story of unsung Kiwi heroes and their 'mission impossible'. A story of love, compassion and hope all New Zealanders can be proud to call their own.

The Chaperone (PG, 1hr 43min, Drama)

In the early 1920s, a Kansas woman finds her life forever changed when she accompanies a young dancer on her fame-seeking journey to New York City.

The Lego Movie 2: The Second Part (PG, 1hr 47min, Animation Action Adventure)

It's been five years since everything was awesome and the citizens are facing a huge new threat: Lego Duplo invaders from outer space, wrecking everything faster than they can rebuild.

Vai (PG, Drama)

A portmanteau feature film by 9 female Pacific filmmakers and filmed on seven Pacific islands. It is about the journey of empowerment through culture over the lifetime of one woman, Vai.

Where Hands Touch (M, 2hr 2min, Drama Romance War)

Germany 1944: 15-year old Leyna (Amandla Stenberg), daughter of a white German mother and a black father, lives in fear due to the color of her skin. When she meets Lutz (George MacKay), the son of a prominent SS officer and a member of the Hitler Youth - mandatory for all Aryan boys since 1936 - the two fall helplessly in love, putting both their lives at risk. An original coming of age story through the eyes of a bi-racial teen as she witnesses the persecution of Jews and those deemed 'non-pure'.

Wonder Park (PG, 1hr 25min, Animation Adventure Comedy)

June, an optimistic, imaginative girl, discovers an incredible amusement park called Wonderland hidden in the woods. The park is full of fantastical rides and talking, funny animals - only the park is in disarray. June soon discovers the park came from her imagination and she's the only one who can fix it, so she bands together with the animals to save this magical place and bring back the wonder in Wonderland.
