## Private Screening Information

### Make a date

Work with our management team to see what dates are available. We have many times available; however, cinemas are **not** available for private function hire during busy periods such as Tuesday or Saturday nights.

### Films

We can screen most films requested; previously screened, current or advanced. Please ask for a list of up and coming films.

We have the capability to play a DVD/Bluray in two of our cinemas (cinema 1&5). If you would like to go with this option then please chat with our Managers as there are specific requirements around these. Censorship Ratings and movie length are also not usually available to us until closer to the release date of films.

### Choice of Cinema

We have five cinemas available, which are allocated according to the number of patrons you wish to host. For booking screenings of more than one cinema contact our management team.

### Deposit and payment process

Once your booking is pencilled in, we require a deposit to confirm.

The deposit is the **minimum admit requirement for your selected cinema size for admits only**.

The deposit must be paid by the deadline, **14 days** before screening. If we have not received your deposit we reserve the right to cancel your booking. Please note that once the deadline has passed deposits are non-refundable. Changes to cinemas are subject to availability.

The remainder of **admits** and **concessions** are **paid at the time of screening** when a final headcount is done.

For **Multiple cinema** screens for your booking the minimum requirement is all of the larger cinema(s) and half of the smallest cinema. Deposits for multiple cinemas will be required **28 days** before screening.

**Ticket design for your screening.** You must make your own tickets for your guests to redeem their goodies and cinema entry. In some cases stamps or raffle tickets are just as suitable. If you are not able to make one, request a template that can be emailed to you.

Please note; Management reserves the right to change and adjust prices, options and screening times.
