World renowned painter and Oscar nominated director Julian Schnabel *At Eternity's Gate* is a journey inside the world and mind of a person who, despite skepticism, ridicule and illness, created some of the world's most beloved and stunning works of art. This is not a forensic biography, but rather scenes based on Vincent van Gogh (Academy Award Nominee Willem Dafoe) letters, common agreement about events in his life that present as facts, hearsay, and moments that are just plain invented. One of the most anticipated films of the year! (110 min.)

When available, every Tuesday early matinee will be shown in open captions (the words will appear on the screen during the film) Please Call 508-385-5644 to Confirm
